*"Fashion should be fun. Step outside of your comfort zone.
Odds are, it'll be a liberating experience."*

Take a peak into Lauren's closet and find out what must-have elements complete her style!

- 1 Louboutins
Purchased online, secondhand
- 2 Louis Vuitton Bag
Gifted by my mom; it was her first Louis
- 3 Cole Haan Leather Pencil Skirt
Was my mother-in-law's, given to her in the 80s by her mom
- 4 Spiked Sam Edelman T-Strap Stilettos
I love the spikes on the back, gold snakeskin print peep toe & silver heel
- 5 Kelly Green Kate Spade Tote
The first designer bag I bought on my own. I hate spending money on anything that's not a statement piece, so I chose the bright green color. It really polishes off any outfit.
- 6 Grey Booties
I picked them up in Florence. I love the lace detail.
- 7 Marc Jacobs Rosegold Watch
