Her style is classic pieces with funky jewelry, accessories & shoes.

1 Classic Basics

accented with jewelry and particularly shoes give her a signature style. Most of her clothing is J.Crew & DKNY with some great vintage pieces mixed in.

2 Shoes

She has an amazing shoe collection, most of which come from a store called Ma Petite Shoe in Hampden.

3 Jewelry

Her jewelry is a mix of vintage, pieces she inherited from her Mom, original artist pieces & a few classics.

4 Handbags

Two of her favorite handbags are Kate Spade (red hanging in her closet) and the blue that she is holding. The black bag on the floor is a Betsey Johnson which was a gift.

Color is an important element in her wardrobe choices. Having a big personality and a sense of style is invaluable to being in public relations.
